Staff Introduction

My name is Luca Schrammel, I am the Pro Shop and Sports / Golf Camp Manger. For Summer 24' my job is to supervise counselors and the kids day to day while leading with the proper organization, safety and ruling it takes to make sure each child is listened to and is learning something new in a safe environment. All Counselors and staff will have a Babysitting Red Cross License with the knowledge to properly supervise and teach your child. Counselors will also have the proper knowledge suited to teach your child the overall safety, basics, advances and etiquette of the sports we are offering.

Activities:

Golf | Disc Golf | Pickleball | Badminton | Horseshoe

Camp Summary

We are offering a weekly sports day summer camp where campers will be put into groups based on age to best grow the campers friendships and comfort levels in learning new skills. Sibling duos may be split due to this. The groups will be organized by given colors as the counselor will also give out gear to kids such as a "colored headband" or "bandana" based on the group. For instance your child might be in the blue group. This will encourage a fun competitive edge with

different groups in the sports and group management. Counselors will lead groups of 6-8 children from 9:00 - 12:30 in only golf lessons, on course playing, putting and driving the ball.

This time will also have golf matches and planned lessons counselors will teach their group. During lunch kids will be separated from counselors and will be supervised by staff. It is highly enforced that kids cannot share food due to allergy rules. The pro shop will be open with any extra snacks the kids may want for the day. Make sure your child is aware of the food they can or cannot eat. For the afternoon activities the kids will have the option to request the sport they want to participate in. Although from 1 - 4:00 the kids might be redirected to other sports to create new experiences for the campers. From 3:50 - 4:15 the campers will be getting their stuff together and ready so they can be picked up. From 4:15 - 4:30 we expect parents or guardians to park and come to the pick up table, greeted by two head counselors. The head counselors will ask you your name and your id and your child's name. After signing your child out, please let the other parents get to the same task as we do not want to block the pick up line. Do not park in the road, parents or guardians must park and come to the sign out table.

Morning

We highly encourage parents on the first day of camp to meet the counselors that will be leading your child. As well, stay till 9:30 to see the camp introduction

You are welcome to stay as long as you would want.

Day To Day:

Morning drop off: 8:30 am - 8:45 am

Golf Camp: 9:00 am - 12:30 pm

Lunch Break: 12:30pm - 1:00 pm

Afternoon Activities: 1:00 pm - 4:00 pm – Golf, Disc Golf, Pickleball, Badminton and Horseshoe. This will be the child's choice on what activity to choose for.

Pick Up: 4:15 - 4:30

Golf Rentals

Rentals will be given to campers at 9:00. The campers will have to know if they got rentals or not for sure. We will also know, but we want to teach campers ownership in their bags and clubs.

They will have a set with a driver, pitching wedge, putter and 2-3 numbered clubs.

Activities Gear

The sports gear such as Disc golf, Pickleball, Badminton and Horseshoe supplies will not be for rent. They will be borrowed from the Elks. Please remind your child that keeping track of the supplies given to them at camp and their own stuff is important as the course is big, people lose stuff.

Lunch - Policy:

Bring your own lunch for the Elks Camp. It is Highly Important that parents stay aware of other children's allergies and health. Please stay away from peanut products.
Please remind your child that we do not encourage the act of sharing lunches as we want to limit possible reactions.

Water Bottle Policy

Please label waterbottle

All Children at all times should have a metal water bottle. It is required that the water bottle is at least half your child's body weight in ounces for all day use.

Dress Code:

First day of camp kids will be given a color to symbolize what group and leader they have.

Children must refrain from any explicit or vulgar language designed clothing. Clothing must be appropriate for summer golfing. Colored tee shirts, golf pants, shorts or golf skirts are recommended but not advised. Golf shoes are not recommended, but a comfortable pair of walking shoes do work. Hats and glasses are also recommended as for the summer heat.

Sunscreen Protection:

Make sure your child is packed full of sun protective gear.
